Background

Stuart originates from Stafford, and now lives in London. He graduated from Manchester Metropolitan University with a BA (Hons) in Interactive Arts in 2001, and in 2008 graduated from the NFTS with a MA in Cinematography. Stuart's graduating short, OUTCASTS, was widely acclaimed and won Best Short at Fuji Film Shorts in 2009 (it was also nominated for Best Cinematography). Stuart shot his first feature/documentary, WAR IN BABYLON, on location in Jamaica in 2008 (the same year he graduated from the NFTS), which was produced by Charles Steel (THE LAST KING OF SCOTLAND). As well as enjoying success in the world of drama, Stuart is a busy music promo and commercial DoP.
