Profile

Theo moved from a runner, to a production trainee and then to a production manager before joining The Cruet Company in 1993 as an in-house camera assistant. A year later Theo became a Freelance Camera Assistant working mainly on 16mm documentaries, in 1997 progressed to a Clapper Loader and then, in 1999, a Focus Puller. In 2004 Theo became a full time Director of Photography, and the same year joined Wizzo & Co's DP roster.
